

## **We need your help as 50th Anniversary Book deadline nears**

As the deadline nears for us to have all copy and photos ready for publishing our upcoming Diocese of Fort Worth 50th Anniversary Book, we need your help. *Les Éditions du Signe*, a French publisher, has done a number of such books around the country. These are beautiful portrayals of dioceses celebrating milestone anniversaries.

Karine Faby, a photographer from France, will be in our diocese Nov. 26 through Dec. 14 to take photos of the exterior and interiors at churches in each of our 90 parishes. She will contact each parish to schedule her visits. While we understand this is an extremely busy time for you, please accommodate Karine so she can create a portrait of your church, inside and out, with the attention it truly deserves.

Also, Jerry Circelli, who is writing text for the book, will be sending completed copies of your parish histories for your review in the days ahead. Thank you for all the help you have given Jerry to this point. Please provide Jerry with any corrections or clarifications you might have by the time he requests it. He may also be asking for any high-resolution archival images you have on file.

Thank you once again for helping us meet our deadlines on this important project that will commemorate the Golden Jubilee of the Diocese of Fort Worth.
