Building Our Mission to the Missions

“Faith...helps us build our societies in such a way that they can journey towards a future of hope.”-Lumen Fidei (51)

We invite you to support the ***Black and Indian Mission Collection*** and “*build our mission to the missions*” in Native American, Alaska Native and African American Catholic communities across the United States. Since 1884, the national ***Black and Indian Mission***

Collection has provided grants to dioceses across the country – including the Diocese of Fort Worth – that enliven parish life and catechesis programs, empower ministries, support teachers and encourage vocations to the priesthood. Please generously support the ***Black and Indian Mission Collection*** in your parish and help build a future of hope in these communities.
