# Putting Your Hand To The Plow

**"No one who puts a hand to the plow and looks back is fit for service in the kingdom of God".**

As we've evolved spiritually over the years, the temptation is to look back for what was or what could have been.

Ignatian principles help us to keep our focus on the plow, the work and life and at the present moment.

**Come join us this weekend for a restful, prayerful and life affirming time with the Lord.**
