

#54 Open Retreat for Men, Women & Couples July 19-21, 2024

Where Are You??

Reflecting on the question that God posed directly at Adam following his eating of the apple (Gen. 3:9b), it becomes evident that this same question resonates within each of us: where do I stand in my relationship with God? Join us at this retreat to reconsider and invite God to confirm and strengthen my bond with Him.
