Finding Freedom in God's Mercy

THE MERCIES OF GOD NEVER END
--LAMENTATIONS 3:22

Sin is a reality that weighs heavily on us: both the sins of others and our own sins.

Yet, as Christians, we say we believe in the unconditional love and infinite mercy of God.

Come and experience the radical peace that Jesus offers us, as we learn to see ourselves as He sees us.

Directed by Fr. Brian Christopher, S.J.

Fr. Brian Christopher is a Jesuit of the UCS Province and has worked in Belize, Central America for nearly 15 years. He has worked extensively with gang-involved youth, incarcerated men and women, and people stuck in addiction. He currently serves as the Superior of the Jesuits in Belize.
