## **From Now on Do not Sin Anymore**

Jesus is not afraid to call certain actions sin. At the same time, God's mercy reminds us that we are loved sinners. With honesty and humility, we consider those actions in our lives that move us further from truly loving the Lord and our neighbor. We allow Jesus to reveal to us what remedies we can undertake to bring us into right relationship with God, self, and one another.

*Retreat Director*

**Fr. Ron Gonzales, S.J.**
