The Grace and Virtue of Friendship

St. Ignatius Loyola, St. Francis Xavier and St. Pierre Favre

Friendship was part of Jesus' life.

The phrase "friends in the Lord" in Ignatius' early letters suggests friendship was the framework of his first companions .

What does friendship have to do with our spiritual and personal growth?

How has this time of pandemic grown or diminished friendship in your life?

Please join Cyndy Mathews as we explore the grace and virtue of friendship in the early companions of Ignatius, and in our own lives.
