

39 Women's Three - Day Retreat
September 9 - 12, 2021

“I am the Good Shepherd, who is willing to die for His sheep.” (John 10:11)

Jesus speaks of himself as the one who leads, the one who cares, the one who feeds and the one who sacrifices himself to protect His sheep.

Hope and love echo in His message. The Good Shepherd lives his life completely for his sheep. Each of the sheep, each person, is invited to willingly accept this sacrifice.

At Montserrat Retreat House, you are provided time and space to reflect on your relationship with the true Shepherd, Jesus. Spend a weekend with Him to experience his care, his guidance and his love for you. Time with Him is a time for re-energizing and of re-discovery.
