A membership in the St. John Paul II Shepherd's Guild will continue to strengthen the culture of vocations in the Diocese of Fort Worth through the following:

Spiritual Opportunities: Generosity of prayer is an important way to deepen our faith and foster vocations. Join Guild members in daily prayer for our seminarians and at prayer events held across the Diocese.

Educational Opportunities: Be an ambassador for vocations in our Diocese as you learn about the Program of Priestly Formation at Shepherd's Guild events.

Financial Support for Seminarians: Financially support the education and formation of our Seminarians as they continue to discern their vocation to the priesthood.

Members of the St. John Paul II Shepherd's Guild are invited to two events each year with Bishop Olson and the Seminarians, receive reserved seating at ordinations and are notified of special opportunities to pray for Vocations. They are listed on the Shepherd's Guild webpages.
