

The Catechesis Department of the Diocese of Fort Worth

❧ INVITES YOU ❧

to take this great certification opportunity for lay people

St. Junipero Serra Institute (SJSI) seeks to further the education of the laity and prepare them for being effective witnesses of the Gospel within their parish communities. SJSI looks to fulfill this mission by teaching the content of the faith as articulated in the *Catechism of the Catholic Church* (in our Level I classes), through in-depth courses related to central topics in Catholicism (our Level II courses), and various concentrations related to parish ministry and/or personal faith formation (our Level III

offerings). In pursuing this formation, a student is free to choose between our Audit or Certification options. These classes are given on a **weekly** basis, are open to everyone, and the cost is only \$35 per six-week course. Visit us for more information, registration, class schedule and resources:

<https://fwdioc.org/st-junipero-serra-institute>

The **St. Francis De Sales (SFDS)** program seeks to deepen the faith of those throughout the diocese by teaching the content of the faith as articulated in the *Catechism of the Catholic Church* (our Level I and II classes) and prepare the faithful to serve as catechists through offering a concentration in proper catechetical methodology as it applies to Children's Catechesis (our Level III classes). In choosing this program, a student is free to pick either the Audit or Certification option.

These classes are given **monthly**, are open to everyone, and the cost is only \$50 per level. Visit us for more information, registration, class schedule and resources: <https://fwdioc.org/st-francis-de-sales>

WE HOPE TO SEE YOU ON THE FIRST DAY OF CLASS!
