

CYBER SAFETY

Protecting Your Family

Monday, June 7, 2021

Starting at 7:00 PM

Mr. Thompson

Special Agent with The FBI

Our speaker is Mr. Thompson, a special agent with the FBI with 17 years of experience investigating cybercrimes, and crimes against children. Agent Thompson has experience in all facets of investigations including digital forensics. Prior to his service with the FBI, Mr. Thompson was an engineer in the private sector.

This presentation will be offered through Zoom.
