PONTIFICIA COMMISSIO « ECCLESIA DEI »

17 July 2014

Prot. 857/89

Your Excellency,

This Pontifical Commission thanks you for your kind letter of 30 May 2014, together with the detailed note from your Vicar General, Fr Schilken, in relation to the matter of Fisher More College and the celebration of the Extraordinary Form. We now understand that this matter is, in essence, closed, since the College closed last May.

This Dicastery would also like to express its gladness for the existence, in your Diocese, of a thriving and properly guided community devoted to the Extraordinary Form, and we commend your prospective project of granting this community an independent parish entrusted to capable priests.

Hoping that this project may go ahead and become a source of further blessings for your Diocese, with prayerful best wishes, I remain,

Yours sincerely in Christ,

✠ Guido Pozzo
Secretary
