

Texas Catholic Conference of Bishops

THE PUBLIC POLICY VOICE OF THE CHURCH

ACTION ALERT:

Please help stop predatory lending by opposing HB 3899!

HB 3899 (by Rep. Drew Springer) prohibits cities from regulating payday lenders. If enacted, the bill would strike down over 40 local ordinances which rein in abusive payday and auto title lending.

Bishops across Texas have been personally involved in the passage of payday lending ordinances and the passage of HB 3899 **would directly undermine their work.**

But you can help!

The House Calendars Committee is currently deciding whether or not to schedule HB 3899 for a floor vote. It takes less than 3 minutes to email the committee members [here](#).

In case you're interested in taking another action after you email, a call script will be provided to you after you send an email.

Thank you!
