## **Impediments against the sacrament of Holy Matrimony**

**Lack of Unity and Indissolubility:** The Church teaches us the love of spouses requires, of its very nature, the unity and indissolubility of the spouses community of persons which embraces their entire life: “they are no longer two but one flesh.” (Mt 19:6; CCC 1644) The Marriage Bond is permanent and cannot be separated except for the death of a spouse. Any action causing a separation of the Marriage Covenant outside of death is an impediment towards the unity and indissolubility of Marriage.

**Contraception:** The Church teaches us any method used to prevent the possibility of child-birth is a moral evil. Marriage has a two-fold foundation; the unitive and procreative acts i.e. love of spouse and love of children. By its very nature the sacrament of Holy Matrimony is ordered to openness to children.

(Gen 1:28; CCC 1652)

## SCAN ME

“What therefore God has joined together, let no man put asunder.” - Mt 19:6

The sacrament of Holy Matrimony serves as one of the seven gifts Christ has given us to grow in holiness.

In essence, the sacrament reveals a desire between two to become one before the eyes of God and His Church for the sake of the Kingdom of God.

## **Graces of Matrimony**
